— NEVER GETS OLD —

OLD FORESTER SINGLE BARREL

A DISTINCTIVE EXPERIENCE 150 YEARS IN THE MAKING.

Consistency, balance, and above all, quality.

That's what drove Brown-Forman founder, George Garvin Brown, to seal Bourbon in a glass bottle – and sign his name to it as a personal guarantee – for the very first time way back in 1870.

Old Forester is crafted and sourced using the time-honored methods established by George Garvin Brown more than 150 years ago.

Today, Old Forester remains the distinguished choice for those who appreciate authenticity in their Bourbon.

The Bourbon Outlaws are happy to share a special place in this legacy having an exclusive opportunity to select a single barrel of Old Forester at Barrel Strength for purchase and personalization through Old Forester's unique Single Barrel program.
